

Joint Accreditation System of Australia and New Zealand

ADVISORY NOTE No. 15

CONTENTS OF RAWS CERTIFICATION DOCUMENTS

Reference(s):

- A. JAS-ANZ Procedure 24 Issue 1 dated 5 April 2001

Background

JAS-ANZ Procedure 24 Clause 3.5.3 b) requires certification documents to include a description of the category of the automotive workshop.

JAS-ANZ has been questioned as to whether the description should be written, word for word from the description supplied at J.3.1.2 or simply reference the appropriate Clause of Procedure 24.

This Advisory Note seeks to clarify the requirement.

Advice

In complying the requirements of JAS-ANZ Procedure 24 Clause 3.5.3 b), certification bodies are advised that they have the option to either:

- a) Include the description of the category(ies) provided in J.3.1.2 on the certification documentation, or
- b) Identify the category(ies) by referencing JAS-ANZ Procedure 24 and the appropriate sub-clause(s) of J.3.1.2, i.e. JAS-ANZ Procedure 24 Clause J.3.1.2 Category a)

Applicability

This Advisory Note applies to the Registered Automotive Workshop Scheme. The Advisory Note will remain current until withdrawn.
